

“Islamic Ethics Finance Instruments and Practices in the US” Forum
Thursday, April 17, 2018, New York

Dear Sir

Gulf US Capital is organizing a spectacular event on Friday, December 22, 2017, New York. This is a **“Islamic Ethics Finance Instruments and Practices in the US” Forum** international meeting in the USA. Global Islamic finance industry is projected to grow by 60% to \$3.2 trillion in assets by 2020.

10 million Muslim societies are living in all states of US. Muslims who live in the United States are active in many areas. Many joint projects with the USA business community are also included.

Muslim organizations, demonstrate the diversity and dynamism of the USA -Muslim population commercial relationship, and functions as a primary facilitator of the broad bilateral partnership.

Americans and other expat people living in USA are interested with Islamic Murabaha and Icara System for the Home-Commercial Mortgage, Auto-Franchising Finance

Gulf-USA Capital is a leading Investing and Financial Services Counseling company focusing primarily on dynamic, profitable, alternative finance and investments in the Gulf and the USA.

Since 2008 the group has provided mission is to develop joint projects and collaborations in economic and financial areas between US and Gulf countries investors, funds and entrepreneurs, local and private institutions and financiers to develop business.

The event aims to introduce financial and investor institution's potentials and services, investor-project-financier cooperation meetings and Gulf-Islamic financial instruments Potential of working according to participation, sharing and ethical-Islamic criteria financial institutions and Islamic Finance Market Estimates \$3.4 Trillion by end of 2018. Finance assets represented 1% of the global financial market of \$127 Trillion in assets.

The overall aim of our event is to strengthen and expand financial investments between the United States and the Gulf States (Saudi Arabia, United Arab Emirates, Qatar, Kuwait, Bahrain and Oman). Informing Islamic Ethical Finance Instruments and Practices in the US

Our mission is to promote an international forum for dialogue between key decision makers in both the United States and the GCC countries and US to increase the volume of bilateral trade, services, and investment and to influence trade and investment policies on behalf of GCC members' interests.

Alternative-ethic-safe-profitable Islamic financial instruments is a centuries-old practice that is gaining recognition throughout the world and whose ethical nature is even drawing the interest of all investors.

Americans and other expat people, customers and investors have been trying to lead their assets to safe alternative financial instruments and investments. Islamic-ethic finance is a form of ethical financing, defined by the fair distribution of wealth, concern for the welfare of communities and economic stability.

You are cordially invited to the "Forum" to benefit from one of the most important financial instruments, that will energize your business and investments with 3 trillion dollar alternative Islamic-ethic financial instruments.

“Islamic Ethics Finance Instruments and Practices in the US” Forum
Thursday, April 17, 2018, New York

The forum will bring together issuers, borrowers, investors, and bankers in the US to discuss the developments of local and international capital markets. This forum aims to bring both audiences together to share ideas and insights, network with industry leaders, and develop key relationships.

By attending this forum, you will network with key decision makers from existing and potential clients. Forum will focus on the key issues around structuring, issuing, and investing in alternative financial instruments .

Your chambers, consulate ,council, institute’s can participate in this event, sponsorship , organize a meeting, presentation, B2B meet and open stand with you to discuss possible opportunities and collaborate on financial and economic relations among with US and Gulf investors and politicians, government representatives

We encourage you to share the information on our event with your community, members and networks. Registration will remain open over the coming days.
