FRANCHISES WITH FOOD CAR and TRUCK BUSINESSES

The mobile food business surpassed \$1.2 billion in revenue in 2015 and has grown at an unmatched 12% annually over the last 5 years, compared to the stagnant growth of brick and mortar restaurants.

What's more, a study by Intuit projects mobile food business revenues to double to \$2.7 billion by 2017. Franchises nationwide have taken notice and decided to hop on this revenue growing gastronomical train.

We are confident we will exceed your expectations and help you reach a new customer base looking for a more exciting, responsive and communal way of eating. Our informations and pictures below showcases a few food cars and trucks we have built for food truck franchises worldwide.

Workplace-Brand Owners;

Would you like to improve your productions, experiences, brand and sales?

or

Do you want to make easy and practical -original-attractive business and profitable earnings with little capital?

or

Would you like to operate Franchising of well-known brands at very low prices and conditions?

or

Do you want to sell in many places, special events (Sports, Festival, Organizations, Events...) in a lot of places .

Yes. You can do this with financial support **MOBILE - SEYYAR FOOD CAR** without paying for building-shop-work rental, big operating expenses, taxes and extra personnel fee.

Whether you are an entrepreneur setting out on a new adventure, a restaurant owner looking to add excitement to your location or an institution with a desire to enhance the eating experience on your campus, you can rely on us to custom design every feature of your food car and truck or trailer and exceed your expectations of what a mobile kitchen can be. We sales custom food car-trucks and trailers for all kinds of locations

Building-shop-work rental, large operating expenses, taxes and without paying much more than the cost of the program with MOBILE - SEYYAR FOOD CAR.
